Introduction:

This policy is to make sure that Veterans Community Working Party (VCWP) CIC has all the right things in place to protect and safeguard adults.

VCWP believes in protecting an adult's right to live in safety, free from abuse and neglect. This policy sets out the roles and responsibilities of VCWP in working together in promoting the adult's welfare and safeguarding them from abuse and neglect. Directors, trustees and volunteers should be made aware of how this policy can be accessed.

This policy and related procedures are applicable to the Directors and volunteers of VCWP. Failure to comply with the policy and related procedures will be addressed without delay and may ultimately result in dismissal/exclusion from the organisation.

Care Act 2014 Definition of an Adult at Risk of Abuse:

Where a local authority has reasonable cause to suspect that an adult in its area (whether or not ordinarily resident there)

(a) has needs for care and support (whether or not the authority is meeting any of those needs),

(b) is experiencing, or is at risk of, abuse or neglect, and

(c) as a result of those needs is unable to protect himself or herself against the abuse or neglect or the risk of it.

Key Principles of Adult Safeguarding:

In the safeguarding of adults, VCWP are guided by the six key principles set out in The Care Act 2014 and Making Safeguarding Personal. VCWP aims to demonstrate and promote these six principles in our work:

- Empowerment – People being supported and encouraged to make their own decisions and informed consent
- Prevention – It is better to take action before harm occurs.
- Proportionality – The least intrusive response appropriate to the risk presented.
- Protection – Support and representation for those in greatest need.
- Partnership – Local solutions through services working with their communities. Communities have a part to play in preventing, detecting and reporting neglect and abuse.
- Accountability – Accountability and transparency in delivering safeguarding.

Recognising the signs of abuse:

Directors, trustees and volunteers are well-placed to identify abuse the adult may say or do things that let you know something is wrong. It may come in the form of a disclosure, complaint, or an expression of concern. Everyone within the organisation should understand what to do, and where to go to get help, support and advice.

Types of Abuse:

The Care Act 2014 defines the following ten areas of abuse. These are not exhaustive but are a guide to behaviour that may lead to a safeguarding enquiry. This includes:

- Physical abuse - Including assault, hitting, slapping, pushing, misuse of medication, restraint or inappropriate physical sanctions.
- Domestic Violence/ Domestic Abuse - Including psychological, physical, sexual, financial, emotional abuse; so called 'honour' based violence.
- Exploitation- Including sexual and/or criminal exploitation

- Organisational abuse - Including neglect and poor care practice within an institution or specific care setting such as a hospital or care home, for example or in relation to care provided in one's own home. This may range from one off incidents to long-term ill treatment. It can be through neglect or poor professional practice as a result of the structure, policies, processes or practices within an organisation.

Radicalisation to Terrorism:

The Government through its PREVENT programme has highlighted how some adults may be vulnerable to exploitation and radicalisation and involvement in terrorism. Signs and indicators of radicalisation may include:

- Being in contact with extremist recruiters.
- Articulating support for violent extremist causes or leaders.
- Accessing violent extremist websites, especially those with a social networking element.
- Possessing violent extremist literature.

Veterans Community Working Party CIC

- Using extremist narratives to explain personal disadvantage.
- Justifying the use of violence to solve societal issues.
- Joining extremist organisations.
- Significant changes to appearance and/or behaviour.

Reporting Concerns:

Any directors, trustee or volunteer who becomes aware that an adult is or is at risk of, being abused must raise the matter immediately with their supervisor/or with the organisation's designated safeguarding person. If the adult requires immediate protection from harm, contact the police and Adult Social Care.

Early sharing of information is the key to providing an effective response where there are emerging concerns. To ensure effective safeguarding arrangements no one should assume that someone else will do it.

Safe Recruitment & Selection:

VCWP is committed to safe working and safe recruitment practices that reduce the risk of harm to adults with care and support needs from people unsuitable to work with them.

VCWP has policies and procedures that cover the recruitment of all Trustees, directors and volunteers.

Social Media:

All directors and volunteers should be aware of VCWP social media policy and procedures [name of social media policy and the code of conduct for behaviour towards the adults we support.

Is there a Person in a Position of Trust Involved?

In any instance of safeguarding, consideration must be given as to whether an allegation has been made against a person in a position of trust and who may be a risk to others. This can be anyone from a formal director or volunteer, to an informal carer.

Training and Awareness:

VCWP will ensure an appropriate level of safeguarding training is available to its Trustees, Directors, Volunteers and any relevant persons linked to the organisation who requires it (e.g. contractors).

For all Directors who are working or volunteering with adults at risk this requires them as a minimum to have awareness training that enables them to:

- Understand what safeguarding is and their role in Safeguarding Adults.
- Recognise an adult potential in need of safeguarding and take action.

Veterans Community Working Party CIC

- Understand how to report a safeguarding Alert.
- Understand dignity and respect when working with individuals.
- Have knowledge of the Safeguarding Adults Policy.

Mental Capacity:

The MCA defines someone is lacking capacity, because of an illness or disability such as a mental health problem, dementia or a learning disability, who cannot do one or more of the following four things:

- Understand information given to them about a particular decision
- Retain that information long enough to be able to make the decision
- Weigh up the information available to make the decision
- Communicate their decision. Refer to the Mental Capacity Act Code of Practice, <https://www.gov.uk/government/publications/mental-capacity-act-code-of-practice>. VCWP will need to involve an advocate if the person lacks capacity to make decisions about a safeguarding concern.

Confidentiality and Information Sharing:

VCWP expects all directors, volunteers and trustees to maintain confidentiality. Information will only be shared in line with the General Data Protection Regulations (GDPR) and Data Protection.

However, information should be shared with their own Local Authority if an adult is deemed to be at risk of harm or contact the police if they are in immediate danger, or a crime has been committed.

Recording and Record Keeping:

A written record must be kept about any concern regarding an adult with safeguarding needs. This must include details of the person involved, the nature of the concern and the actions taken, decisions made and why they were made.

All records must be signed and dated. All records must be securely and confidentially stored in line with General Data Protection Regulations (GDPR).

Whistleblowing:

VCWP is committed to ensuring that Directors and volunteers who in good faith whistle-blow in the public interest, will be protected from reprisals and victimisation.
